

Molé

**Hello! We are Molé Foods** a company dedicated to developing and selling healthy plant-based products through the retail channel.

Our offer consists of ready-to-cook dehydrated meals, premixes based on legumes, natural broths, spices, and nutritional yeast.

We are located in Córdoba, Argentina, from where We supply the whole country through the mains national supermarket chains and wholesale distributors. Also, Molé is available in Japan and Uruguay.

We are ready for the internationalization of all our products. We have certification from safety standards (BPM and HACCP) and also our products are suitable for Gluten Free and Kosher alimentation.
